In the process of creating my designs, I combine various colors and patterns that are creatively edgy. Each design exhibits a sense of freedom and expression that gives them their own personality and mood. The freedom to express myself allows me to follow my own rules, allowing my instincts to guide and inspire me. The evolution of my designs is a passion to create and finalize something new and unique, while allowing the viewer to have their own insight and interpretation.

Adrian's artwork and portfolio can be viewed here: Adriansam.com and she can be reached at 917-331-6613 to answer any of your questions or inquiries.
